

SVOX Forum 2010

Join the leading industry experts at SVOX Forum 2010 in Zurich!

Dear SVOX Partner,

SVOX Forum is a premier networking event where executives and experts from key mobile, consumer electronics and automotive companies come together to discuss the future of speech technologies and their impact on the business. SVOX Forum 2010 will take place in Zurich on 23 – 24 September. This year SVOX turns 10 years old, so the event will be special.

Learn about newest products rolled out by SVOX, its customers and partners.

Discuss such hot areas as flexible speech dialog, SMS/Email reading and dictation, speech in the connected car and in eReaders, dos and don'ts of the speech UI design and many others.

Network with leading experts from the converging industries.

Past participants include Asahi Kasei, Audi, BMW, Continental, Denso, Deutsche Telekom, Elektrobit, Freescale, Google, HarmanBecker, HTC, iSuppli, LG, Mercedes-Benz, Microsoft, Mitsubishi Electric, Navigon, Nissan, Nokia, Peugeot, Porsche, Renault, Strategy Analytics, Teleca, Texas Instruments, TomTom, Qualcomm, Volkswagen, Wind River and Xanavi.

Let's make talking apps happen!

Sincerely yours,
SVOX Forum Team
